

Children's Therapy Center

Helping children achieve their fullest potential

Summer Camp Programs

The focus of this camp will be to provide opportunities for the children to enhance/develop their sense of creativity. Creativity includes the capacity for original thought and the ability to use appropriate adaptive reasoning in both old and new situations. Creativity is developed and/or enhanced through the use of open-ended activities such as arts/crafts, water play, and dance, as well as some structured activities like games, cooking and nature. Space is limited to 10 children per camp session.

Ages 7 years to 10 years

Session 1: June 20 - 24	Monday through Friday	8:30 to 10:30
Session 2: July 18 - 22	Monday through Friday	8:30 to 10:30
Session 3: August 1 - 5	Monday through Friday	8:30 to 10:30
